Gorky's park

Gorky's park is a park located in the center of Krasnoyarsk. It is placed in historically important district of city, where a lot of cultural Influences have lived, there is a lot of statues and memorials. Gorky's park is a place where people go to heal their minds and to spend time with loved ones. However, It's not the only thing you can do in the Gorky's park, luckily, there's a lot of amusement attributes that can entertain not only children, but an adults too.

I like this park because I like to go take a walk between a trees and think. But also I love to take a ride sometimes, it gives me a wave of adrenalin that boost my mood. That's why I would like to recommend this beautiful and fun place to foreign tourists. It has everything you would ever want for a time spending.

I think, the most important person in my life is my mom. She always cares about me, always helps me, and too much else.

She is looking beautiful and clever. She is 31 years old. I always knew that she were and will be the most important person in my life, since I got born.

I am trying to help her too. I wash the dishes, clean my room, and sometimes cook something and help her too. I see her every morning.
